

## Clubs Committee Meeting 05-22 Meeting Agenda

For the meeting held on the 6<sup>th</sup> September at 12:00pm  
YouX Boardroom, Level 4 Union House.

## AGENDA

### 1. Procedural matters

#### Welcome

#### **Acknowledgement of Traditional Owners\***

We would like to Acknowledge that the land we meet on today is the traditional lands for the Kaurna people and that we respect their spiritual relationship with their Country. We also acknowledge the Kaurna people as the traditional custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kaurna people today.

#### **Attendance\***

Luke Allen, Oscar Ong, Ivan Jankovic, Taylor Fernandez, Kearin Hausler, Habibah Jaghoori

*Meeting opens 12:07pm.*

#### **Apologies\***

Annika Stewart, Kate Long, Simone Bannister (leave)

#### **Declaration of conflicts of interest\***

That all members in attendance declare that they have read and considered all papers within this agenda that require decision-making and have no known conflict of interest or potential conflict of interest with respect to those matters.

#### **Unstarred Agenda Items**

Recommendation: That the Clubs Committee approve all unstarred items.  
*Starring minutes and major grants.*

Luke: We do not let external visitors oversee major grants and EOI.

Oscar: Habibah can oversee the A.O.B. but not grants and EOIs for New Clubs. Board stance: we do not let other students listen in for confidential matters.

Luke: Habibah has not give enough notice to attending the meeting.

Habibah refuses to leave. She believes factions are silencing her.

Oscar: We are considering the formal business of the committee. You can put a submission in A.O.B. Unless the Board advises him otherwise, he is unable to let her. It is the Board stance. Rest of the meeting has to be done through a circular resolution if Habibah stays in the meeting.

Habibah: Is staying as a form of protest. Believes that the proposed Jewish Association is a Zionist lobby choice.

Oscar: we do not have to listen to you Habibah. You can be invited to speak by the Chair, but you have to negotiate it with the Chair.

Luke: If you want to speak on the issue, you need to provide me with sufficient time. We all have different time schedules. Can you please stay outside the meeting, and when we get to that point in the meeting, we can invite you in. After which, we can invite you to leave while we will have a civil discussion. Not common precedence – in future, we need you to email with more punctuality.

Habibah is happy with those conditions and will leave the room. She wants to be promised that she will be let back into the room.

That major grants and EOIs are to be starred and discussed.

Moved: Oscar

Seconded: Ivan

Motion carries.

### **Confirmation of previous minutes.**

Tabled as read.

### 4. Expressions of Interest\*

1. Recommendation: That the Clubs Committee approve the Expression of Interest submitted by the proposed Adelaide Uni Mining Engineering Club

Moved: Ivan

Seconded: Oscar

Motion carries.

APPROVED

2. Recommendation: That the Clubs Committee approves the Expression of Interest submitted by the proposed Youth Evangelical Fellowship

Oscar mentions that the Club is not unique, Clubs Admin to refer them to Evangelical Students.

Motion fails.

3. Recommendation: That the Clubs Committee approves the Expression of Interest submitted by the proposed Australasian Union of Jewish Students South Australia

Habibah is invited back into the room.

Habibah: Believes they should be denied official registration. It is an Australian Zionist lobby group pretending to be a safe place. There is a separation between Zionism and Judaism and their beliefs. Arab students and staff, Palestinian and Muslim students and staff will be in danger. Obvious on

*On Dit* page since they are receiving hate, Zionists are commenting bad comments. Believes they are affiliated with and supporters of AUJSA.

Luke: Why is it bad that an organisation points out antisemitism? How do you know that these commentators are members?

Habibah doesn't know of the details of membership. She believes the organisation is all Zionists. They refuse to condemn Israeli war crimes. Not saying we should never have a Judaism Club as a safe space, but that AUJSA should just be denied affiliation. They will destroy campus culture. AUJSA president is labelling everything as antisemitism. They have sent death threats to *On Dit*.

Luke: On what grounds are you claiming that they are affiliated?

Habibah: Go onto Facebook page, scroll through the comments, shows how they are a financial supporter. Zionism threatens the lives of students and staff. It is separate from Judaism.

Luke: Point has been made; committee needs to discuss the decision. People can be loosely affiliated.

Habibah: More so about people going to regular meetings, regular promotion on media etc.

Luke explains circular resolution to Habibah. Habibah wants it to be tabled for the next meeting.

Luke: the way you are acting is not helping your case. If you feel strongly about this, appeal to the committee's sense of reason, please leave the room. Anything beyond a day before the meeting is reasonable.  
*Habibah leaves the room.*

*Meeting moves in-camera at 12:44pm, and moves ex-camera at 1:10pm.*

**ACTION:** That there is a need for Jewish Students Club, which will be communicated to Jonathan via Luke. Current application tabled pending discussion with Jonathan. To be reconvened at earlier convenience.

Moved: Ivan

Seconded: Oscar

Motion carries.

4. Recommendation: That the Clubs Committee approves the Expression of Interest submitted by the proposed Postgraduate Association of Social Sciences

Ivan met with one of the potential executive members, and he said that there is not enough steam to make it a revival of Social Sciences Club, rather than making for Postgraduate Association of Social Sciences. Around 15-20 students, but when talking about the degrees, well over 100 students. Supports the Club but would be a better idea if part of the broader Social Sciences community.

Oscar: Would provide greater benefit for students if they amend.

Moved: Ivan

Motion fails.

DENIED.

ACTION: Clubs Admin to communicate with them to let them know that they can re-submit as Social Sciences Society.

5. Recommendation: That the Clubs Committee approves the Expression of Interest submitted by the proposed Women in Creative Technologies
